**WORKING TOGETHER WITH
AGRICULTURAL LEADERS TO
REVOLUTIONISE FARM SECURITY**

"Beyond the immediate human suffering, lack of security and stability in our rural and farming community causes serious disruption to our economy. It threatens to bring reduced growth or production, loss of wages and profits and in time unemployment. It brings the spectre of deepening poverty, and potential social instability and upheaval."

- Former President of South Africa,
Nelson Mandela at the Summit on
Rural Safety and Security.

**OUR TECHNOLOGY IS ABLE TO
DETECT INTRUDERS BEFORE
